**REQUEST FOR CONTINUED EXAMINATION AND RESPONSE TO FINAL  
OFFICE ACTION**

Sir:

This paper is submitted as part of a Request for Continued Examination and in response to the Final Office Action dated August 21, 2008, for the above-referenced application. As this paper is submitted before the expiration of the shortened statutory period, Applicant believes that no petition for an extension of time is due. However, should Applicant be mistaken, Applicant requests that this paper be considered a petition for a suitable extension of time. Although there is a net gain of seven claims, Applicant believes that no extra claims fee is due for the increase in the total number of claims as the total number is less than the total number previously paid for; however, as there is a net gain of two independent claims in excess of three, Applicant believes that an extra claims of \$ 440 is believed to be due. A Request for Continued Examination fee in the amount of \$ 810 is believed to be due. The Patent Office is authorized to charge Deposit Account No. 50-1924 for any required fee deficiency.
